

Choir Tour Scholarship Guidelines

Overview

Nampa Christian Schools works with individuals and organizations to provide limited financial assistance to those families demonstrating need in meeting expenses for the annual Music Arts Department trip to the WorldStrides Heritage Music Festival (a.k.a. Choir Tour). This assistance is available for students in a varsity group (Crie, Ars Pristina, Mirth, or Xairo) because their attendance on the trip is considered mandatory.

Before making a decision on whether to allow your student to go based on your ability to pay for your student's trip, please explore this option if you believe the extra help would allow your student to attend. Applicants may be awarded up to 50% of their total trip cost as a partial scholarship to help offset the total cost of this trip.

Application Process

Families or students applying for a Choir Tour scholarship will need to complete an [online scholarship application](#) no later than **November 15th**. All applications received prior to that deadline will be reviewed and scholarship awards will be communicated by **December 15th**.

Please note that participation in the school-sponsored fundraising activities is a requirement to be considered for a partial scholarship. Applying for a scholarship is not a guarantee your student will receive one. Scholarships are considered need-based and will be reviewed for financial need. All scholarships are awarded for one year only, but students may reapply each year. Those students receiving scholarships will have the awarded amount applied directly to their choir tour balance with the Central Office. No funds will be disbursed to students or their families.
