Receivers Coach - David Reeve

Special Teams - Dathan Anders

- Schools with 28+ players must play two full games. (The schedule above shows a tentative plan for the number of games vs. each school and is subject to change.)
- If WIC teams drop below 28 players and both schools are in agreement, they can play one game plus a 5th Quarter that will be 16 minutes (running clock). Both teams will have possession of the ball for 8 minutes each. There will be no punts, field goals, or kickoffs in the 5th Quarter. The clock will stop after the first 8 minutes and the other team will begin their offensive possession.
