After these water + messy games, students will have the opportunity to go inside and use indoor facilities to change back into dry, comfortable, indoor clothing for the Final Rally, which begins in the Big Gym. Please plan accordingly and please remember to bring the necessary water + messy compatible clothing, and clean dry clothing to change back into, including extra socks, shoes, towel, etc... Thank you!

WAIVER FORM

Graduation Celebration 2024 (GC24) by WARRIOR CAMP (WC) and Nampa Christian Elementary School (NCES), is a special, School-hosted event. Before deciding to send your child to GC24, please understand that doing so involves some risk. We want you to be informed that WC is a Camp Ministry which is distinguished in part by games, challenges, competitions, and activities that are physically intense in nature. If you do not wish for your child or teen to be involved in a Special Event of this kind, then please execute your right to diligently prevent or remove your child from participation. This is your right and responsibility. WC and its leaders, and the leaders of the hosting School, are not legally or financially responsible for any injuries which may occur at WC or its Special Events, including GC24.

In allowing my child or teen to attend GC24, I understand and accept that there are risks involved. I hereby release WC and its leaders, as well as leaders from the hosting School, from any and all liability. In the event that an incident or injury should occur, I will take no action, legal or otherwise, against WC or its leaders. I will take no legal or personal action against the hosting School or its leadership. I also understand and accept that WC and its leaders, as well as the leaders of the hosting school, and the hosting School itself, are not responsible to amend, compensate, or provide any redress for any injuries which may occur at WC or GC24. Should I deem it necessary, it is my responsibility as the parent (or guardian) to discuss these risks with my child before he/she attends GC24. As the parent (or guardian), I understand that it is my right and responsibility to prevent my child from participation in any activity which of which I do not approve. If my child does participate, then this automatically equals the acceptance of all risks involved. In the unlikely event of injury, I understand that any costs associated with medical treatment for my child may be the responsibility of the Insurance Provider for the Hosting School, or of my family's health insurance provider, or of some combination of the two.

Overly unruly Students may be sent home without refund, and should this need arise, parents will be contacted.

I understand that there are risks involved in this Special Event, and, by signing below, I attest to my continuing desire that my child attend this special Graduation Celebration 2024.

Media Release: As diligence in promotion is reasonable for ministries such as WARRIOR CAMP, I also understand and consent to my child or teen being included in WC

media (photography, video, etc...) that may be captured at WC / GC24, and made available in Official WC Group Photos, or posted in approved WC or NCES online platforms for legitimate informational and promotional purposes, as deemed appropriate by the WC and/or NCES Leadership. (Relatedly, participating kids/youth are likely to love seeing themselves and their friends in media of this kind). I consent to the possibility that my child or teen may be filmed from above via camera drone. By being present at GC24 on the Date specified, parents give their consent to this Media Release by the act of their physical presence along with that of their child. Photography and/or videography may occur at GC24. While WC and the Hosting School promise no automatic exceptions to this Standard Operating Procedure (SOP), if significant concerns or objections do arise, we are interested to hear and consider these carefully. Please contact the GC24 Director via email. Thank you! By signing below, I understand and accept all of these terms and conditions, and continue to consent and/or desire that my child(ren) or teen(s) should attend Graduation Celebration 2024.
